PERFORMANCE OFFER FOR CORPORATE EVENTS (IN HUNGARY)

ABOUT THE BAND

The Bohém Ragtime Jazz Band (since 1985) is one of the leading traditional jazz ensembles of the world. Besides winning first prize at the Hungarian Dixieland Competition they were given the eMeRton Prize as 'jazz band of the year' in 2003. The band has appeared at the greatest jazz festivals in Europe and North America including Montreux, Pori, Sacramento, Breda, Ascona, Oslo, Dresden, Berlin and many others. Their performances have broadened their circle of fans from the UK to Italy, from Romania to Canada. The band plays many different styles as its wide repertoire includes ragtime, spirituals (sung a cappella), Dixieland, New Orleans jazz, early swing, covering the first five decades of jazz history. Members of the band play 2-3 instruments. The Bohéms make their concerts even more enjoyable with singing (in 3 different languages if required – not at the same time though) and occasional dancing as well. Their performances have been broadcast by major televisions in Germany, Switzerland, Hungary, Romania and by national radio stations in numerous countries. The band has recorded 23 albums over the years and those are also regularly broadcast by many radios.

THE MOST UNIQUE OFFER

Our Bohém Ragtime Jazz Band is a highly acclaimed concert band. They must be watched and listened to. Of course, the band is perfect for providing background music for any event but their main purpose of playing music is to entertain people who listen and enjoy the show. Therefore the band has the most unique offer regarding fees: we are much more expensive for background music but only ask for our regular concert price if we are featured at a corporate event as an individual programme in concert setting, so people can watch and listen. Here are the prices (prices include transportation):

Background music only:

0-1 hour: 600.000 HUF + 27% VAT

additional playing 120.000 HUF + 27% VAT per started hour

We arrive 2 hours before the performance earliest and leave 1 hour after its end. If there is extra waiting time it must be counted as extra playing time.

Concert (background music can be provided, too, but at least 1/3 of the whole playing time must be concert):

0-1 hour: 500.000 HUF + 27% VAT

additional playing 90.000 HUF + 27% VAT per started hour

We arrive 2 hours before the performance earliest and leave 1 hour after its end. If there is extra waiting time it must be counted as extra playing time.

100% GUARANTEE FOR THE MUSIC

world's première offer – no other band has the courage to take such responsibility

We are certain that what we do is high quality and audience likes it (well, except if one dislikes traditional jazz). And we know that we have to take responsibility for whatever we do. Therefore we give 100% guarantee to our customers. It means that if you don't like our music, you just simply tell us that you were not satisfied with the result and we pay you back – the whole fee, 100%. No questions will be asked. Note, that for making this guarantee available we have to be paid in advance (right before the event, the latest).
