

When and how to pay?

You can pay the package price at once. If you want to do it in two parts, there is a required down-payment of **139 EUR / 199 USD** per person regardless of single or double occupancy and chosen package. Down payments must be made at reservation. Final payments are due by **January 15, 2016**.

What happens if you pay but then can't come for some unexpected reasons?

Down payments are not refundable. Final payment is refundable until March 1, 2016. If you decide not to come after this date, it is your loss. If you pull out before March 1, we pay your money back, except the down payment. We do it via bank but the bank expense will be deducted on your end. We need no explanation just a written proof that you pull out (E-mail or regular mail). However, all payments (including down payments and final payments) are transferable. We are flexible and try to make everything as convenient and safe for you as possible.
